Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$250 per person/\$650 per family.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	<b>Yes.</b> Preventive care, outpatient prescription drug charges, 2 <sup>nd</sup> and 3 <sup>rd</sup> surgical opinions, audio, dental and vision benefit services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical Preferred Providers: \$1,200 per person/\$4,000 per family, Medical Non-Preferred Facilities: \$2,400 per person/\$8,000 per family.  Prescription Drug: \$800 per person/\$3,000 per family The family out-of-pocket limit for medical and prescription combined shall not exceed the federally mandated out-of-pocket limits.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, health care this plan does not cover, the deductible and penalty for failure to obtain preauthorization.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="www.aetna.com/docfind">www.aetna.com/docfind</a> and select "Aetna Choice® POS II (Open Access) Network for a list of <a href="network providers">network providers</a> . The preferred hospital in the Municipality of Anchorage is Alaska Regional, <a href="www.alaskaregional.com">www.alaskaregional.com</a> or the Surgery Center of Anchorage. For Caremark's preferred pharmacies, see <a href="www.caremark.com">www.caremark.com</a> . To locate a preferred vision provider see <a href="www.vsp.com">www.vsp.com</a> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
